# Torrette Superieur

## Vda DOP Torrette Superieur

Over the years this wine has generated its own history, becoming an emblem of our viticulture. Heroic and surly, this wine is like a budding talent that will enchant us as we discover it sip by sip. A triumph of raspberries and blackberries followed by wild strawberries, pine trees and eucalyptus. Each sip releases dynamism and vigour with a final hint of white pepper and gingery spiciness. Long and captivating.
